

AMBER SUN

Portfolio: <https://ambersun17.github.io/job-portfolio/> | ambersun17@hotmail.com | +61481838052

Cross-disciplinary marketing strategist with diverse experience across **art, graphic design and technology**. Skilled in **content operations, brand promotion, and campaign management**, with hands-on expertise in **Account operations, advertising, short video production, and brand development**. Strong ability to translate abstract ideas into actionable marketing strategies that drive both customer acquisition and brand awareness.

Core Skills

- **Social Media Operations:** Skilled in managing Account content, planning and executing campaigns; proficient in Canva, CapCut, Photoshop, Illustrator and other design/editing tools.
- **Brand & Content Marketing:** Expertise in crafting short-form videos, creative campaigns, and IP branding to enhance brand influence and engagement.
- **Event Planning & Execution:** Proven ability to organize offline promotional campaigns, seminars, and exhibitions, collaborating with multiple teams and stakeholders.
- **Bilingual Advantage:** Fluent in Mandarin and English, with extensive cross-cultural project management experience.

Selected Projects

Real Estate Advertising Design I 2024

- Designed real estate promotional materials (posters, social visuals) tailored to project positioning and client needs.
- Delivered advertising outputs balancing commercial tone with cultural aesthetics.
- Case → <https://ambersun17.github.io/job-portfolio/cases/real-estate.html>

Art x Real Estate Cross-Industry Strategy I 2025

- Proposed an innovative “**Gallery x Real Estate**” **collaboration model**, including concept copywriting and visual campaigns.
- Explored how art exhibitions can enhance the cultural value of real estate projects.
- Case → <https://ambersun17.github.io/job-portfolio/cases/art-x-realestate.html>
